

Charger Academy Login Procedures

In your WEB browser (Internet Explorer) address bar Type the following:

<http://plato.davis.k12.ut.us>

The group window will then come up enter the following:

1002

Then click on the submit button.

Enter your name in the Plato Name Bar for example; if my name is John Smith then I would enter John Smith.

In the Group Name Bar enter:

Centerville Junior Users

In the Password Bar enter your Student ID Number.

Your screen lesson screen will appear and then can click on the first lesson and start the tutorial. If you take a test and do not pass, the test will **lock**. You must do the tutorial again for that particular test, after you finish the tutorial the test will unlock.

Some of the tutorials will ask for you to press keys that are not located on your keyboard. The keys that you press instead are as follows:
