

## **Keyboard Chatter Homework - Lesson #22**

### **Skill Strengthening Activities**

Keyboard Chatter is coming to a close. You have done well. Doesn't it feel good to be able to key in the words you want to type without looking at the keys. Remember; It is better to be accurate rather than fast. The more you practice, your speed will get better. But poor keyboarding skills are hard to break. So, remember to use proper keyboarding techniques all the time and soon you will type fast and accurate! Way to go! You've done an awesome job!

**Begin typing below. Practice typing for 10 minutes.**
