12. Relationship to nominee (You cannot nominate self or an immediate family member) :

Current or former student

13. How has the nominee demonstrated achievement and excellence in their field of endeavour?

She helps everyone to feel special and that they can achieve being their best self. She doesn't choose favorites which helps the atmosphere in the classroom. She has gone the extra mile by teaching our entire school flashmob dances for our fundraisers. In this way she has connected with every student in our elementary school!

14. How has the nominee achieved superior results through innovation or creativity?

She doesn't just stick to one way of learning, she uses different learning styles. When her students do not get very good scores, she works hard to come up with a different way to teach what we are learning, so that the student will understand it better and be more successful in the future.

15. How has the nominee contributed to improving and sustaining quality education?

She teaches in such an original way that it makes learning enjoyable. She involves dance and music in the classroom! She uses the knowledge about the different ways people are able to learn to help each student be successful. It helps each student feel comfortable learning.
