After you're done filing your FAFSA, you probably still have some things to do before you can get your financial aid for college...

**One:** Follow up with your college to make sure you've turned in ALL the paper work they require. Often there is an extra form or two to apply for financial aid from your school specifically, and without it they can't process your financial aid awards.

**Two:** Make sure you're hitting the right deadlines - each school sets its own Priority Filing Deadline for when you should have your FAFSA completed. Don't miss your school's deadline!
