December 2015

Approved by Kathy Chisholm

A BIG THANKS for all the help with the December count!

Due to everyone's efforts, we've been able to beat every bush and scour every classroom to make it the best it could be.

The LRE Form

Is available online in the fillable forms. Both the LRE form and Team statement are required to be completed before file goes to Dolores Heyne.

Preschool LRE Reminder

All LRE file checks are to be done by Gaynell Parker before being given to Candra Jeffery for review. This is the final check after you have already had the file to the consult and made the corrections/changes as recommended by the committee.

It's important to change service providers on the IEP so that an accurate view of caseloads is made. Remember to do that for all students you are providing services for.

Just a reminder - The Internet Explorer web browser should not be used with myIDEA. Download [Firefox](#) here.

Move-in Button

For students who have transferred to your school from out of district, please remember to enter the pertinent information into the Move-in form in myIDEA.

Avoid procrastination, finish and finalize the Move-in form before the button disappears (90 days from the student's start date).

Refer to the Move-in procedures on the PIE site ([Click here](#)).

How is 4DX going for your team?

Note: Lead Measures can be changed and adjusted if it doesn't look like they are making the desired impact.
