EARLY CHILDHOOD EDUCATION 1, 2, & 3

ABOUT

A series of courses that provides students an opportunity to work with children in a professional lab setting. Instruction given includes: applying developmentally appropriate practices (DAP) and teaching lessons to children, maintaining a healthy environment for children, and developing positive relationships with children. Students will continue preparing for the Child Development Associate Credential. The three courses in this series include: Early Childhood Education 1, 2, and 3. **Concurrent Enrollment Available.**

CAREER PATHWAYS
