## What is the goal?

The goal of the Teacher Recruitment Scholarship is to increase the ethnic diversity of teachers in the Wasatch Front schools. This scholarship helps students of diverse backgrounds to become teachers and return to their communities as educational leaders and mentors for future generations.

## Who can apply for the scholarships?

High school students graduating from Canyons, Davis, Granite, Park City or Salt Lake City School Districts who:

- Want to pursue a career in teaching
- Represent ethnically diverse and underrepresented backgrounds
- Are Utah residents and citizens or permanent residents of the U.S.
- Need financial assistance to attend college
- Have a minimum high school GPA of 2.5 or higher

## How does the program work?

Teacher Recruitment Scholars start their postsecondary education at Salt Lake Community College.

- Scholars enroll in a seminar class to support their transition to college
- Scholars receive support through individual advising, mentoring and tutoring
- Scholars earn an Associate degree in Education

Upon completion of the Associate's degree, Teacher Recruitment Scholars transfer to the University of Utah to earn a Bachelor's degree in education and licensure.

- Teacher Recruitment Scholars at the U of U participate in a transfer cohort that includes academic, professional and peer support

## What does the Scholarship Cover?

- Up to \$500 per semester from your school district for fees, books and supplies (minimum of four semesters with continuation depending on funding)
- Approximately \$3,500 per year in tuition waivers from Salt Lake Community College for a maximum of two years
- Pending available funding, GPA requirements and academic coursework toward licensure, qualified individuals will be eligible for up to \$3,000 per year for a maximum of two years at the University of Utah College of Education
