

November 11 Community Council Minutes

In attendance:

Amanda Keller

Amy Smaellie

Courtney Lawrence

Laura Klein

Mark Vawdry

Courtney Lawrence will write DSD Innovative Grant to receive a matching \$5000 toward Tech Trek funds. Discussed using money to purchase remaining needed overhead projectors for teachers.

Possibly using some Tech Trek funds for a sound system was going to be considered but the student council offered to purchase the system for the school.

STEM family night was discussed:

Tentatively planned for March.

Some ideas include: Teachers do math games, involve Viewmont engineering program, robotics team, Weber State, and community partnerships.
